

2010 RSC Spring Academy Program

The purpose of the Radford Soccer Club Academy is to provide high-level technical instruction to the local youth soccer community. The Academy is open to all 4 to 10 year old boys and girls **regardless** of current soccer skill level.

The Academy is directed by Eric Martin. Eric holds a NSCAA Advanced Regional Diploma, a USSF E License, is the Radford High School JV Girls Soccer Coach, and a Radford Soccer Club Coach.

The cost for the 2010 Spring RSC Academy is \$50.00 per participant which includes a T-shirt and admittance to all training sessions. **Players are responsible for bringing cleats, a size 4 ball, shin guards, and a water bottle.**

All Training Sessions will be held at Bissett Park. Sessions will begin each Saturday at 9:00 am and end at 10:00 am on:

April 24th; May 1st; May 8th; May 15th; and May 22nd

All activities are focused around maximizing the number of touches each player has with a ball – no waiting to perform drills or sitting around listening to lectures. Activities are all game related with the ultimate goal of creating a fast-paced fun environment for each participant.

If you would like to participate in the 2010 Spring Radford Soccer Club Academy, please complete the form that is part of this flyer. Completed / Signed forms and payment (\$50) should be brought to the first session on April 24, 2010.
